

From the M3

If you are taking the M3 south towards Muizenberg, take the Ladies Mile off ramp just past Constantia. At the robots take a right onto Ladies Mile and follow it through the circle all the way to the T-junction at Main Rd. At the T-junction take a right onto Main Rd and head towards Muizenberg again. Look for an open field on your left. Shortly after the open field you will see a robot. Take a left at the robot into Station Rd. You will now see the wooden fence of the nursery on your right hand side. Parking is in Station Rd in front of the nursery.

From the M5

Take the M5 south towards Muizenberg. Look for the Concert Blvd intersection and take a right across the M5 into Concert Blvd. Follow Concert Blvd through Retreat and over the railway line bridge. The road bends to the right and brings you up to a stop street opposite the Engen. Turn left at the stop street onto Station Rd and look for the gravel car park on the left hand side after about 200m. Turn into the gravel car park and the entrance to the nursery will be on your right. You can park up against the fence at the entrance gate.
